PRESS RELEASE

FAI – Mamaia – World Elite Aerobatic Formula

10th – 12th of July 2009

The first aerial acrobatics competition ever held in Romania under the guidance of FAI (International Aeronautical Federation) – FAI Mamaia – World Elite Aerobatic Formula – powered by Honda will take place, from the 10th till the 12th of July, 2009, in Mamaia, near Hotel Vega*****.

The Company Regional Air Service - Airfield Tuzla, from Constanta, together with the multiple world champion, winner of World GP contests, King of freestyle programmes, and Airshows Jurgis Kairys, supported by the Constanta City Hall and the County Council, are offering, thereby, to the public, the most important event of sport aviation in Romania.

FAI Mamaia – World Elite Aerobatic Formula is a sport competition of high class and a fashion event, which enrolls in the high quality entertainment offer proposed by the event organizers in Constanta.

Situated to the north of Mamaia beach, the competition takes place near 4 stars and 5 stars hotels, in an area of 1 km, in front of Hotel Vega – addresses to the development of the luxury client's niche for aviation in general.. Also, the selection of this hotel represents recognition of the level this event hopes to reach.

Betting on values like human and technical performance, precision and passion, imagination and competitiveness, FAI - Mamaia World Elite Aerobatic Formula is a two-sided

competition : acrobatics with imposed program (aerobatic against time – AAT) and freestyle acrobatics (aerobatics freestyle-AF).

In order to dispose of a more attractive program both for specialists and wide public, the competition changes the place of the air-show every day, the schedule resulting to be :

Friday , the 10th of July:

- 15.00 – 16.00 – Qualifications
- 16.15 – 19.00 – Trainings
- 18.30 – 19.30 – Press conference (Hotel Vega)

Saturday, the 11th of July:

- 11.0 - 12.30 - Competition (each pilot performs the 3 minutes freestyle task and the 3 minutes imposed program task).
- 12.30 – 14.30 – Break
- 14.30 – 15.30 – Regional Air Services aircrafts parade, parachutes dropping, individual and group flights of Acrobatic lakars
- 15.30 – 16.30 – Air Show – first four international participants in the competition and best Romanian teams

Sunday , the 12th of July :

- 11.00 – 12.30 – Competition (freestyle and imposed program)
- 12.30 – 14.30 – Break
- 14.30 – 15.30 – Regional Air Services aircrafts parade, parachutes dropping on the beach, individual and group flights, demonstration of Acrobatic lakars
- 15.30 – 16.30 – Air Show – first four participants in the competition and Romanian teams
- 20.00 – Prizes award – at the Casino in Mamaia

Monday, the 13th of July :

- 11.00 – Press conference (hotel Vega)
